Enter your routing and account number directly. >

- For instant verification you will be prompted to add your banking information.

Instant Verification

Bank name
Citibank ✓

User ID

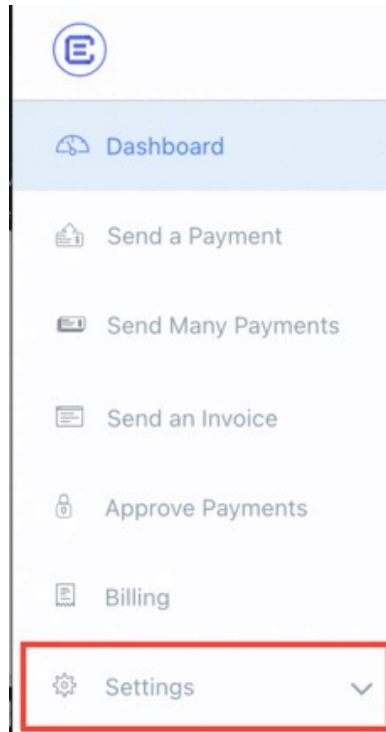

Password
..... ✓

PIN

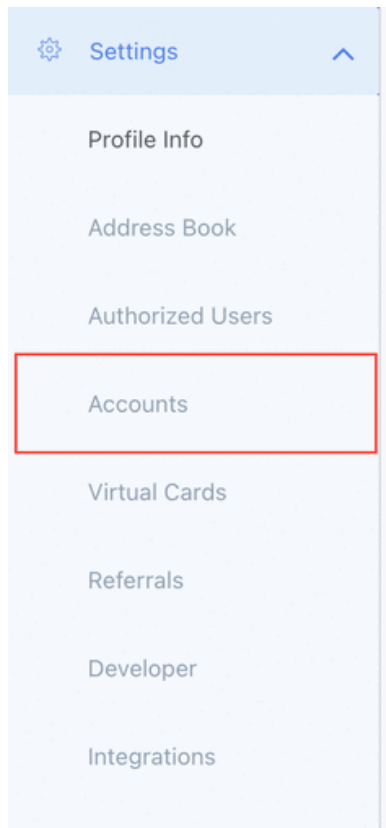

We pre-filled the bank credentials, simply click the submit button. If you want to use a live account feel free to change the values. All transactions in Sandbox mode are not settled with the bank, they remain in our database.

Back Submit

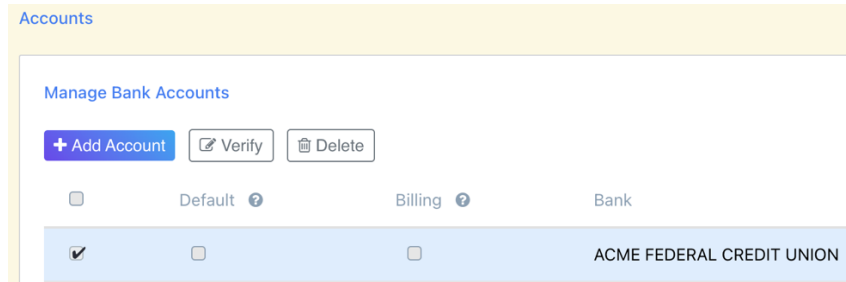

- Log in to your [Checkbook.io](https://checkbook.io) account.
- Go to "Settings" on the bottom left-hand side of the page.

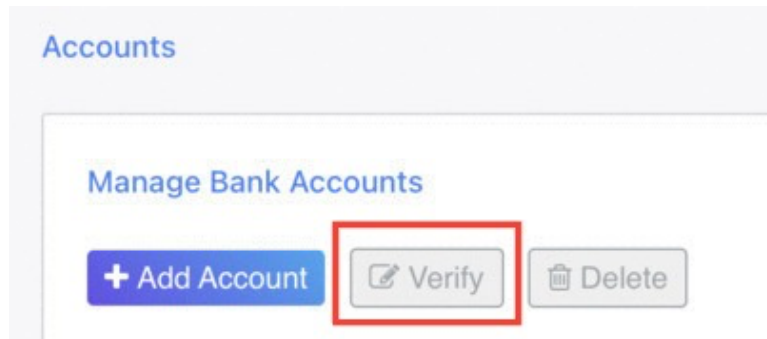

- When in "Accounts", click the checkbox for the bank account you want to manually verify.

- When in Settings, click on the "Accounts" tab.

- When in "Accounts", click "Verify".

- Verify your account by making micro-deposits that will be applied to your account by the **next business day**.
- Check the transaction history for the account you are attempting to verify. Locate the micro-deposits that were made and enter them in the appropriate text field in the dialog box. When they are entered correctly, press "Submit".

Please verify your account

Please enter the two micro-deposit amounts made to your *JPM Chase* account ending in *6789* on or around *June 3, 2022*.

1st credit amount

\$0.____

ex. \$0.07

2nd credit amount

\$0.____

ex. \$0.15

Total debit amount

\$0.00

Submit

- Once the verification process has been completed and the check has been deposited. You will receive a confirmation with an estimated deposit date.
